Villa Son Balagueret

Description

Escape to the ultimate summer haven where tranquility meets luxurious amenities. This meticulously refurbished Majorcan manor villa, elevated to the highest standards of luxury, is nestled in the enchanting landscape of the Tramuntana Mountains. Recognized as a UNESCO Heritage Site for its unparalleled beauty and rich history, this idyllic retreat offers an ideal sanctuary for a peaceful vacation surrounded by nature.

With a commanding view of the pristine coast of Banyalbufar, the villa boasts four bedrooms accommodating up to eight guests. Spread across three floors, each bedroom is a haven of comfort equipped with air conditioning and en-suite bathrooms, offering breathtaking views of the exquisite Majorcan landscape. One of the bedrooms occupies the villa's unique turret, accessed by a graceful curving staircase leading to a luxurious bathroom on the lower level.

The heart of the house is a sheltered courtyard, providing the perfect setting to unwind and discover a cozy nook for reading. Outdoors, the villa offers prime spots for relaxation and leisurely al fresco meals,

all accompanied by breathtaking views of the coastline. Just a short stroll away, your private heated pool awaits, inviting you to immerse yourself in serenity.

Son Balagueret caters to your preferences with flexible booking options. Opt for an All-Inclusive package, available upon request, or indulge in a self-catering experience that includes a thoughtfully curated welcome basket upon arrival with essential supplies.

For those seeking an elevated culinary experience, additional services can be arranged for an extra charge:

- In-villa dining with a private chef
- A fully-stocked fridge with all your favorite food and drink

Embark on a journey where luxury and tranquility converge, creating the perfect backdrop for an unforgettable summer retreat at Son Balagueret.
