Villa Teulera

Description

Nestled atop a rugged hill overlooking Formentor, this exceptional villa sits 60 meters above sea level, offering unparalleled views of Formentor Beach and the Bay of Alcudia from its extensive gardens. With direct access down the hill to the beach and a convenient 5-minute drive by car, it stands as one of the finest properties in the esteemed Cape of Formentor—a neighborhood of luxury homes protected by security.

Retaining the authentic Mallorcan architecture and charm, the main villa features 5 double bedrooms and 6 full bathrooms. Additionally, a detached guest or staff apartment includes a double bedroom and bathroom. Most bedrooms provide captivating views of the garden, offering panoramic glimpses of the stunning Formentor Beach. The expansive lawn garden is centered around a generous swimming pool, complemented by an outstanding wooden platform offering the finest views. The terraces, both covered and uncovered, create ideal settings for delightful lunches and alfresco dinners.
